Disagree: **0%**

Strongly disagree: **0%**

Chapter 2. Please, indicate to what extent you agree with questions mentioned below

Chapter 3. Feedback

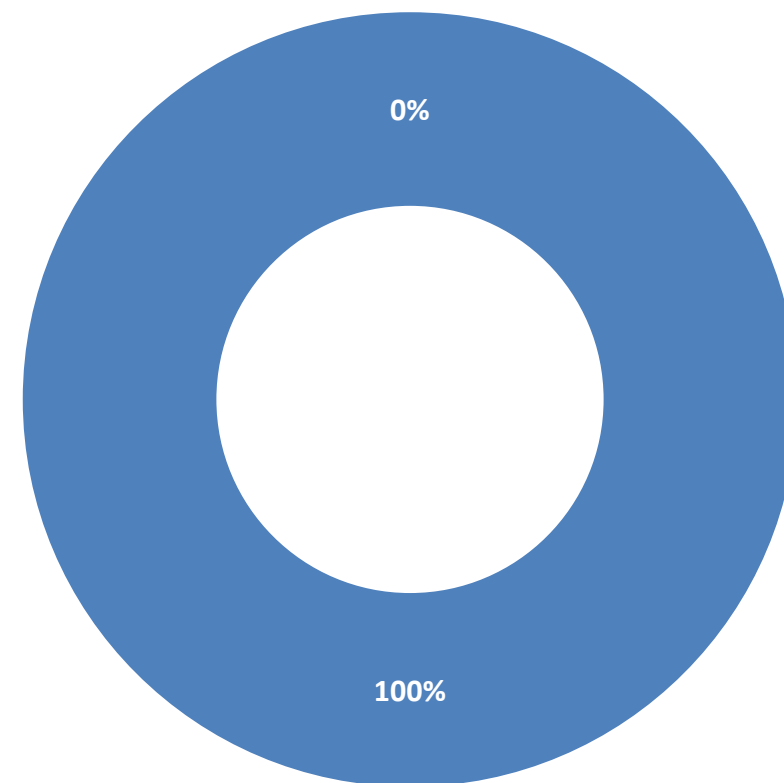

Question 1: Would you recommend the program to others?

Results question 1:

Average score on the question: **100%**

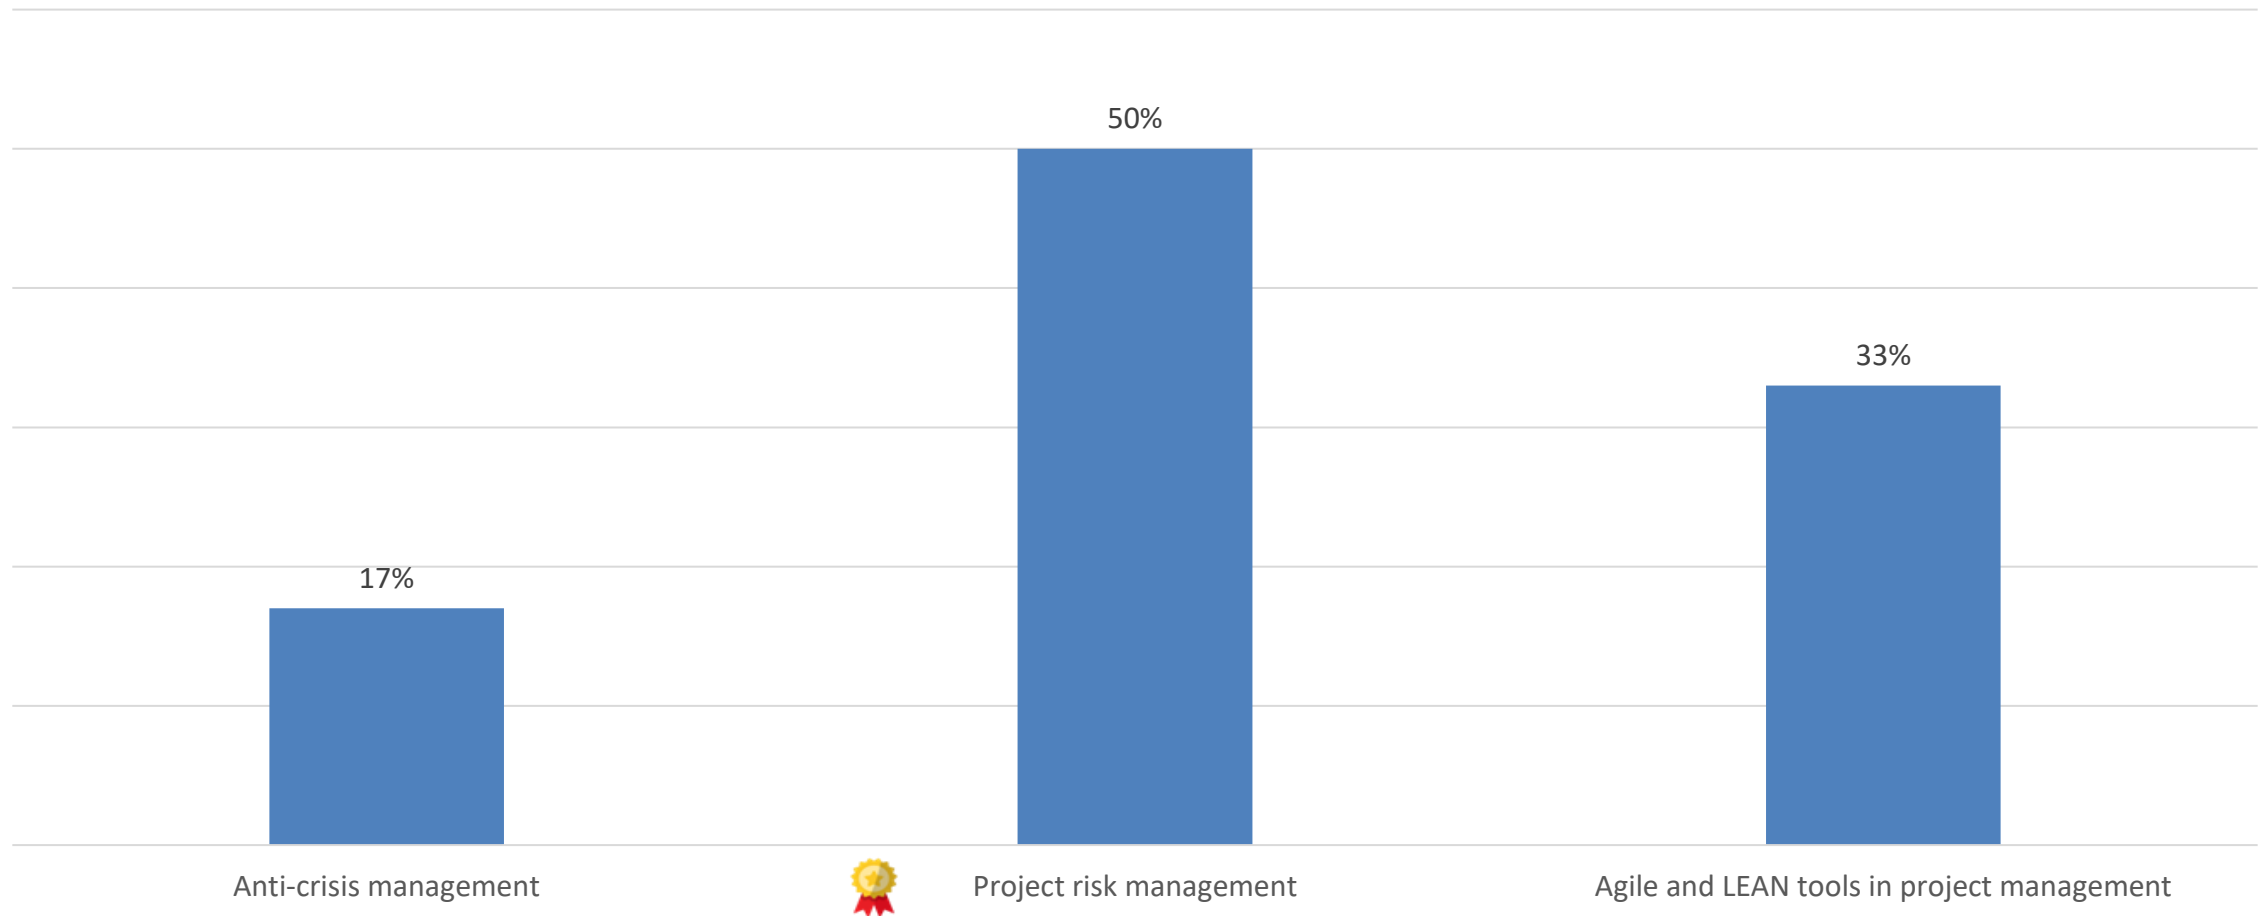

Yes: **100%**

No: **0%**

Question 2: What was the most relevant course or experience in program?

Ranking of courses identified by applicants as the most relevant

Question 3: What you recommend to change to improve the program quality?

I would suggest optimizing the course order and synchronizing the context, as many topics were repeated

Consider the possibility of using modern software tools in the project resource management course

I can only recommend increasing or expanding the program, because it is so interesting that I would like to learn more and more)

Add financial management and contract negotiation management

Include short tutorials (up to 10 pages per week of training) in addition to presentation slides to avoid misinterpretation

I don't have a suggestion.
